Coimbatore, Tamil Nadu, India

Professional Summary

I'm a passionate UI/UX Designer and Frontend Developer with hands-on experience in creating wireframes, prototypes, and responsive web designs through academic and personal projects. Skilled in Figma and Canva. On the development side, I've built a strong foundation in HTML, CSS, JavaScript, React.js, and Git/GitHub, which helps me turn creative ideas into functional web experiences. As a fresher, I'm eager to keep learning, collaborate with teams, and contribute my creativity to building user-friendly digital products.

Core Skills

- **Design Skills:** Wireframing, Prototyping, User Persona, Accessibility, Interaction Flow, Design Systems, Visual Design, User Research, User Flows
- **Tools:** Figma, Canva
- **Technical Skills:** HTML5, CSS3, JavaScript, React.js, Git/GitHub
